

Job Description

HGV Plant Driver - Tomato Plant Ltd

Job description

At Tomato Plant, the health, safety and welfare of our people and our customers is priority. We are also proud of our commitment to our clients and delivering work at a very high standard which is allowing us to build an expanding client base and expand our fleet and personnel.

We are looking to recruit experienced Plant Drivers both Class 1 and 2 to drive various vehicles including low loaders, rigid beavertails and Hiab's. The role will carry out Planned & Reactive works in the transport of construction plant and equipment. The successful applicant will be servicing contracts across our existing client base including Heathrow Airport Ltd and various other clients in London and across the country. As such the ability to attain an airside pass would be desirable.

Please note this position cannot consider overseas applications

Job benefits include:

A full-time position with the option of overtime. · Twenty days paid holiday per year plus statutory 8 bank holidays. · Full uniform and PPE equipment provided · Regular training · Competitive rates of pay · Basic hours 5 x 10-hour shifts Monday – Friday 06:00am to 16:00pm day and some nights away, weekday and weekend overtime may be required.

- Min Class C lorry driving licence.
- NPORS or IPAF desirable
- Desirable ability to pass a criminal record check to obtain a Heathrow airside pass.
- Must be flexible with working hours and possible nights away.
- Experience of operating construction plant desirable although training given.

Note: This job description is not intended to be all-inclusive. The employee may be required to perform other related duties as requested by the employer.

Please submit your resume along with a cover letter detailing your relevant experience. Only qualified candidates will be contacted for an interview.

Job Type: Full-time

Hourly Rates between £16.00 - £18.00 depending on experience.

Pay: £40,000.00-£47,000 per year.
