

Job Description

Plumbing & Heating Engineer - Plumb Tomatoes

Job description

At Plumb Tomatoes Ltd, the health, safety and welfare of our people and our customers is priority. We are also proud of our commitment to our clients and delivering work at a very high standard which is allowing us to build an expanding client base and expand our fleet and personnel. Due to expansion, we require a experienced Plumbing and Heating Engineer for domestic and commercial repairs and planned project work.

This is an exciting opportunity to join the plumbing division of Plumb Tomatoes Ltd, an established and rapidly growing company specializing in plumbing, heating and maintenance solutions.

The majority of works and projects will be based in the London area, as well as Heathrow and Gatwick Airport. Candidates for this role will be expected to be able to work within a team, reporting to the Plumbing manager.

The successful candidate will be skilled, professional and dedicated to the job and company.

All candidates must come from a Plumbing background with proof of their Level 3 NVQ Qualification along with all other certificates. Clean drivers' licence is required.

Plumb Tomatoes Ltd is an equal opportunities employer.

- Please note this position cannot consider overseas applications

Job benefits include:

A full-time position with the option of overtime. · Twenty days paid holiday per year plus statutory 8 bank holidays. · Full uniform and PPE equipment provided · Regular training · Competitive rates of pay · Basic hours 5 x 10-hour shifts Monday – Friday 06:00am to 16:00pm day and some nights away, weekday and weekend overtime may be required.

- Minimum 2 years trade experience in plumbing.
- Available to be on a call out rota.
- Available to work on a day and night shift rota basis.
- A driving licence is also essential.
- CSCS card preferred but not essential.
- EUSR Water Hygiene Card preferred but not essential.

Applicant must be able to pass a CRC check to work at Airports.

Note: This job description is not intended to be all-inclusive. The employee may be required to perform other related duties as requested by the employer.

Please submit your resume along with a cover letter detailing your relevant experience. Only qualified candidates will be contacted for an interview.
